THE NEW AUSTIN HEALEY

... for the
MAN IN
COMMAND

Watch the Austin Healey man as
he swings up into his saddle—breaks
his high-strung stallion into a dead
run.

There they go, twisting and turning
through the trees. Hurdling their
ruttled ravins.

It shows in his face. The thrust of
his body.

THIS MAN GETS HIS KICKS FROM
ACTION!

That's why he drives the new Austin
Healey. It moves with his mood.

When he wants to go, he tromps on
the loud pedal and the new beefed-
up 121 hp engine slams you past
60 in 10 seconds. Up to 115-mph!

To handle this brute of a power-
plant, the new brakes are even
bigger and surer than the marvels
on the '58 model.

And this new Healey has a "ting"
to the exhaust that's as sweet as
First Place at Riverside!

The interiors are appointed to a
king's taste with matchless British
craftsmanship. Even the new top
has the master's touch.

Isn't it high time you took com-
mand in the new Austin Healey?

What better time than now?
